

2020 5M Fric-Lo® Friction Reduction Tape

RoHS Statement

27th July, 2021

With reference to Directive 2011/65/EU (Restrictions of Hazardous Substances – RoHS 3), as amended by Commission Delegated Directive (EU) 2015/863: Based on our knowledge of our raw materials and manufacturing process, we do not expect these substances to be present in concentrations greater than or equal to limits specified by regulation. We do not routinely analyse our products for the substances restricted by this regulation.

REACH Statement

27th July, 2021

With reference to Article 59 (10) of the REACH Regulation (EC) No. 1907/2006 Substances of Very High Concern (SVHC), as amended up to and including the 8 July 2021 update: Based on our knowledge of our raw materials and manufacturing process, we do not expect these substances to be present in concentrations greater than or equal to 0.1%. We do not routinely analyse our products for the substances restricted by this regulation.
