

RESIDENTIAL
MOWERS

IMPROVING LIFE & LAWCARE

In 1964, Hustler® Turf introduced the world's first twin-lever zero-turn lawn mower. Today, the twin-lever design created by Hustler is used by most zero-turn manufacturers. With a jump on the competition, Hustler quickly began improving the original design by implementing a rigorous R&D program to engineer, test, and push the envelope on what was possible with a zero-turn mower for the commercial market.

In 2012, Hustler took these years of innovation and experience with commercial equipment and put that knowledge into a residential zero-turn mower called the Raptor®. The success of the Raptor led to a complete series of Raptor models, and eventually spun off the Dash® Series.

Today, homeowners rely on Hustler equipment for its durability, reliability and professional cut quality. They also depend on our quality customer service, product warranties and a dealer support network of over 1,300 US locations.

THE HUSTLER® ADVANTAGE

SMOOTHTRAK™ STEERING

Developed over decades of experience. Precision control designed to help trim and maneuver easily around obstacles.

INTEGRATED PARK BRAKE

Hustler was the first to integrate the parking brake into the twin-lever design. This design was patented for years and continues to be a great safety measure for operators.

FABRICATED DECKS

Our fabricated welded-steel decks are designed to handle harsh conditions. Heavy-gauge steel and reinforced impact areas help prolong the life of the deck.

TOUGH FRAMES

Fabricated welded-steel frames, thick front axles and forks with heavy-duty caster yokes help your mower last for years. Our frames are tested for thousands of hours on concrete test tracks with inclines and embankments.

SIMPLE DESIGN

Who wants something you can't work on yourself? More engineering doesn't always mean more parts or more complexity. Quite the opposite. We engineer our mowers for easy serviceability with flip-up seat pans, removable floor pans, and vented pulley covers.

PRECISION CUT QUALITY

Our decks are not only tough, but engineered to give homeowners a clean, crisp cut. This comes from decades of learning how the airflow inside the deck stands grass blades up during the cut. Make your neighbors jealous with a beautifully manicured yard and well-defined stripes.

DASH XD

The Dash® XD is Hustler Turf's most compact residential mower designed for smaller property owners. The smaller design makes it ideal for garage storage and fitting through tight spaces like fence gates. One piece fabricated frame and welded steel deck come standard along with bolstered seat, Kawasaki® Power & BigBite™ tires.

Engine	Deck Sizes Available
15HP* - Kawasaki FR541	34", 42"
18HP* - Kawasaki FR600	48"

✓ 2yr / 200hr Residential Limited Warranty**

Premium Seat
Bolstered with built-in lumbar support.

Premium Power
V-Twin Kawasaki engine.

18" BigBite™ Rear Tires

DASH XD

Fabricated Steel Frame
1"x 2" fabricated steel frame making it tough and durable.

Welded Fabricated Steel Deck
11 ga. welded fabricated steel deck adds durability compared to a stamped deck.

Foot Operated Deck Lift
Easily adjust the deck height between 1.5" - 4.5".

Bolstered Seat
Bolstered with built-in lumbar support.

18" BigBite™ Rear Tires
We worked directly with the tire manufacturer on this design.

Compact Size
Easily fits through most gates to tackle fenced-in back yards. The small footprint makes it ideal for storing in a garage.

Standard Engine Guard

Kawasaki® Power
V-Twin Kawasaki engine

*As rated by the engine manufacturer ** See owner's manual for warranty details and information. Certain restrictions apply.

RAPTOR

SERIES

RAPTOR SERIES SHARED FEATURES

- 1 Welded Steel Deck**
Welded fabricated steel deck helps add durability and can extend the mower's life.
- 2 Wide Stance**
Designed to provide ample room adding to the comfort for the operator.
- 3 SmoothTrak™ Steering**
Precision control designed to help trim and maneuver easily around obstacles.
- 4 Bolstered Seat**
Helps provide a comfortable ride with armrests and airflow to the back.
- 5 Rubber Floor Mat**
Helps provide comfort by minimizing vibration on the operator's feet. Standard on all Raptor models.

- 6 Fabricated Frame**
Continuous one-piece 1½ inch by 3 inch welded tubular frame.
- 7 Foot-Operated Deck Lift**
Easily adjust the deck height between 1.5" - 4.5".
- 8 Easy to Service**
Flip-up seat pan, removable floor pan, vented pulley covers.
- 9 Exclusive BigBite™ Rear Tires**
We worked directly with the tire manufacturer on this design. You will not find them on other brands.
- 10 Kawasaki® Power**
Powered by a V-Twin Kawasaki Engine.

Raptor X model pictured above.

RAPTOR X

The legendary Raptor® X packs all the performance and reliability Hustler is known for into a simple and durable design. We engineer our mowers to be maintenance and service friendly for the everyday homeowner. From the frame to the deck to our trademark steering, the Raptor X delivers excellent cut quality for a well manicured lawn. We've put thousands of hours of R&D and testing into the Raptor Series, which is why it's backed by a 3yr / 300hr limited warranty**.

Engine	Deck Sizes Available
18HP* - Kawasaki® FR600	42"
21.5HP* - Kawasaki FR651	54"

✓ 3yr / 300hr Residential Limited Warranty**

RAPTOR XL

The Raptor® XL features premium upgrades to the Raptor X. The XL provides some added comfort with a more premium seat and Flex Forks® for a smoother ride. Also, there is an option for additional horsepower with a 23hp* Kawasaki® FR Engine. More comfort and more power backed by a 3yr / 300hr limited warranty**.

Engine	Deck Sizes Available
21.5HP* - Kawasaki FR651	42"
23HP* - Kawasaki FR691	54"

✓ 3yr / 300hr Residential Limited Warranty**

RAPTOR XD

The Raptor® XD is the ideal zero-turn for homeowners with up to five acres of property. The up to 24hp* Kawasaki® engine and 60-inch deck option makes the XD a premium lawn mower in the residential zero-turn category. Like all Raptors, we've spent decades and thousands of hours perfecting our durable fabricated decks that provide a crisp, clean cut-quality. Raptor XDs are backed by a 3yr / 300hr limited warranty**.

FLIP-UP

The Flip-Up has all the features of the Raptor® X plus adds an automatic deck lifting system. With just the push of a button, the deck lifts upright creating simple convenient access for service and maintenance. Adjusting the deck-height is also made easy with our push button QuickFlip™ technology. The Flip-Up is backed by a 3yr / 300hr limited warranty**.

Engine	Deck Sizes Available
23HP* - Kawasaki® FR691	48", 54"

✓ 3yr / 300hr Residential Limited Warranty**

Bolstered Seat
Bolstered seat with built-in lumbar support.

Auto Deck Height Adjustment
Raises and lowers deck with the push of a button.

Welded Steel Deck
11 ga. welded fabricated steel deck helps provide durability and extend the mower's life.

*As rated by the engine manufacturer
** See owner's manual for warranty details and information. Certain restrictions apply.

QuickFlip TECHNOLOGY

1 MOW

At first glance, the Flip-Up is similar to other mowers in our residential line-up, but with QuickFlip technology, push a button to automatically adjust the deck to your desired cutting height.

2 RAISE

At the push of a button, the deck half of the mower folds 90 degrees in a matter of seconds.

3 CLEAN • SERVICE • STORE

Now, with less effort clean the underside of the deck, perform maintenance like blade changes, and store the Flip-Up in less space.
