Mosaic Programs

Piece by Piece workshops nurture connection and creativity, bringing improved wellness to the lives of individuals facing complex issues that have made them vulnerable to homelessness and/or economic insecurity. Our community fosters hope and in so doing reduces barriers to success often faced by those who have lacked opportunity.

“ Piece by Piece has changed the way I see things, I am more tolerant and patient.”

Victor J, Mosaic Artist

Social Enterprise

Our focus is on training and employing individuals who otherwise would have more limited opportunities. Piece by Piece generates revenue to support our artists and nonprofit through the creation of mosaic artwork. We create small-scale housewares and art as well as large scale art commissions.

“ All of us here are like a mosaic ourselves. We're all a little broke, but when we're here we're one big beautiful piece.”

Margarita M, Mosaic Artist

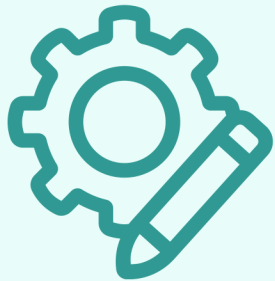

The Piece Shop

Shop mosaics created by Piece by Piece artists! They make the perfect gifts and home decor. The proceeds from each purchase are reinvested in programs that are crafting new stories of hope and determination, supporting Angelenos on their journey to self-renewal.
