

Custom Awards, Gifts & Commissions

FOR A CAUSE

A group of four people (three men and one woman) are standing in a room, each holding a custom mosaic award. The awards feature various designs: a heart with a pulse line, a city skyline, a handshake, and a brick wall with a circular logo. The background is a light-colored wall with a large, abstract mural.

Awards

Make your next event more meaningful! Commission a recognition award for your corporate gala or to honor someone special. Options for the inclusion of logo insignia, custom artwork, and congratulatory messages are available. Unique recognition artwork may be customized to include imagery or a theme specific to your Event Honoree.

Designs are customizable based on concept sketches developed by our Artisans and customer inputs and feedback. An engraved logo recognition plate can be fastened to the piece upon request. The smallest, simplest awards start at \$150 and go up from there based on complexity and size. Contact us to discuss specifics and pricing.
