THE TEA ARK
GROUP SINCE 1973

DESIGNED TO PROTECT YOUR HEALTH

We here at THE TEA ARK, have curated delightful and mindful signature blends made from the finest tea leaves, herbs and Indian spices, for you to savour. Not only tasty, but also healthy, these teas are low on caffeine, minimally processed, packed with immunity and sourced directly from the best farms of India. Our collection of blends, are sure to tingle your palette and leave a lasting flavour for you to relish.

Let your tea yatra begin...

yours teafully,
TEAM THE TEA ARK

WWW.THETEARK.COM

**OUR
TEAM**

Our team boasts a legacy of generations working in the field of Tea, Pharma and Nutraceuticals comprising of veterans from respective industries, well-versed with the health & wellness segment.

**BRAND
NAME**

ARK represents Noah's ARK, which was built to help humanity by saving 2 of every kind of animal. Inspired from this, THE "TEA ARK" has been conceptualized to bring together various possible kinds of flora and create unique teas for a healthier human life.

**SUSTAINABLE
VISION**

THE TEA ARK has a clear vision to improve and improvise on the quality of wellness teas offered in the markets around the world. We have the tools, knowledge and a hard working passionate team which strives to achieve the set milestones on our way to fulfillment of the vision.

**ACHIEVABLE
MISSION**

To serve real tea to real people by creating awareness and serving only the best. Becoming one-stop-solution for all things tea. Skillfully innovate, masterfully showcase and genuinely offer natural and healthy products to businesses and consumers across the globe.
