### Button Instructions

**YOUR HEADPHONES MUST BE PAIRED TO A BLUETOOTH CAPABLE DEVICE BEFORE IT CAN BE USED. PLEASE FOLLOW THE BELOW STEPS TO PAIR**

1. Open the Bluetooth Menu on the device you wish to pair. Some devices require you to select "Search for Devices" or "Add New Device" in order to create a Bluetooth Pairing.

2. With the headphones turned off, long press the power ON/OFF button. The headphones will say "PAIRING." The red and blue LED lights will flash in an alternating pattern while the KB5 is in pairing mode.

3. Wait until you see "KB5" on your device screen.

4. Select "KB5" on your device and follow any further prompts to pair. Once pairing is complete and connection is established, LED lights will stay blue.
