Gonzalo Escobar Reaches Career High Ranking

May 2017

It's been a productive couple of months for Loriet Pro Team player Gonzalo Escobar.

In April, he reached his career high ranking in doubles and represented Ecuador in Davis Cup. Immediately after Davis Cup, he arrived back to the United States where he played the Sarasota Open, made the semi-finals of the Tallahassee Challenger, and kicked off the month of May playing main draw singles in Savannah, immediately followed by matches throughout Italy.

Congratulations Gonzalo on your ranking and on a strong season.
