HANS HACH VERDUGO JOINS THE LORIET PRO TEAM

March 2017 – Acapulco, Mexico

Loriet Sports Apparel welcomes Hans Hach Verdugo to the Loriet Pro Team. Hans reached his career high in doubles on Jan. 30, 2017, hitting 210 in the world.

This March, Hans played the Abierto Mexicano Telcel, one of 13 ATP World Tour 500 series tournaments, held at the Acapulco Princess Mundo Imperial. While in Acapulco, Hans played against tournament champion Sam Querrey and participated in the Nickelodeon AMT Kids Day.

The event was a very special day for hundreds of children from the Teleton Center of Child Rehabilitation and the DIF Guerrero Center for rehabilitation and medical services.

Joined by fellow ATP players Ernesto Escobedo and Cesar Ramirez, and tennis coach Marc Lucero, and WTA player Giuliana Olmos, the children enjoyed hitting with these national role models and spending time with their favorite TV characters.

Hans and the other players who participated in the event were recognized by the tournament as "Agents of Change" for making a difference by being positive examples for the children of Mexico.
