Happy Hour in Hell Newsletter

December 2023

Hi there,

Ho Ho Ho! Tis' the season when holiday cheer is in the air, social calendars are full and calories don't count (okay I made that up, but let's go with it). Now until New Year's Day is a whirlwind of getting together with family and friends, eating, drinking and overall merriment. **I find everything about this month glorious... everything except holiday shopping.** Go ahead, call me a Grinch, but as far as I am concerned holiday shopping is hell. Only surpassed by the hell of wrapping. Oy! Just thinking about all the time and energy it takes makes me want to reach for my cocktail shaker.

Holiday shopping can be hell, but this year it doesn't have to be because there are Cocktails in Hell Gift Sets! We are here to help lessen your shopping and wrapping burden, so that you have more time to have fun! Perfect for every cocktail or mocktail lover on your shopping list, our Cocktails in Hell Holiday Gift Sets include our awesome mixers, a 16 oz 3-piece stainless steel shaker and a personalized note from you. **We do all the wrapping and the shipping for FREE.** Now that's something to toast to!

Speaking of toasting to the holidays, my daughter, Sarah, and I are excited to share our simple yet delicious cocktail recipe that will pair perfectly with whatever you are serving! Light and refreshing, the **Holiday Champagne Cocktail features our Cosmo in Hell Mixer, fresh strawberries and your favorite bubbly** (Sarah and I use Prosecco, but Champagne or any sparkling white wine works). For those who prefer a mocktail, just use seltzer instead.
