

PACKING TOOLS

TECHNICAL DATA SHEET

DESCRIPTION & PHYSICAL PROPERTIES

Product Code	Refer to table below
Description	Packing tools are designed to handle your packing maintenance with ease. The unique interchangeability of tips with flex or rigid holders allows versatility not available elsewhere. Worn or damaged tips may be replaced at minimum cost rather than sacrificing the entire tool. Plated for corrosion protection.
Size	Available for a range of packing sizes, see table below
Availability	Sold individually and as packaged extractor sets

Packing Extractor								Sets
