

10 THINGS WE DO DIFFERENTLY

Pod Jewellery

1. Workshops take just one day.
2. All tools, equipment and materials (including sterling silver) are included.
3. Work with sterling silver (not copper) or for an additional fee, gold.
4. Make a piece that suits your taste.
5. Full-day workshops include lunch. All workshops include morning / afternoon tea.
6. Only pay a \$100 deposit when booking. Pay the balance one week before the workshop.
7. Pay using Afterpay.
8. Get a 10% discount on selected local accommodation when completing a workshop.
9. Our classes are small with a maximum of six students, so you'll receive lots of help.
10. We also give you:
 - making instructions, so you can make more pieces when you get home.
 - a list of suppliers, so you know where to buy tools, precious metals and have things cast.
 - a list of tools used during the workshop. Pod Jewellery students receive a 12.5% discount on tools from Australian Jewellers Supplies.
