

Elevate your home with solid wood furniture by Masaya Co. Each piece is handmade from wood sustainably harvested from our reforestation projects. To date, we have planted over 1,000,000 on over 1200 acres of previously deforested land in Central America, and those numbers keep rising.

Wood For Life. At MasayaCo we bring the beauty and textures of renewable hardwoods to your home. Our furniture is 100% solid wood. Handcrafted with a relaxed, modern sensibility.
