

Large Maderas Shelf

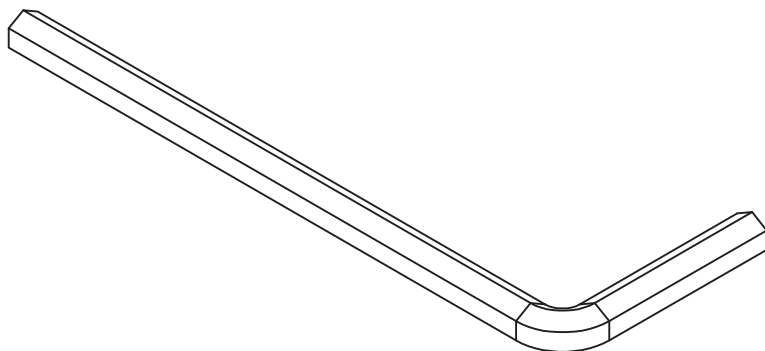

Assembly Guide

What's inside

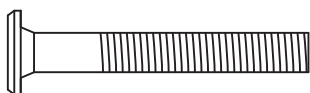

Allen Key

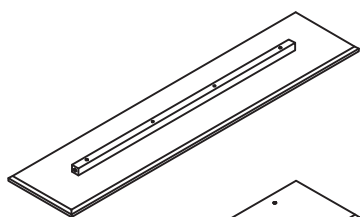

1x (You have 5 more somewhere)

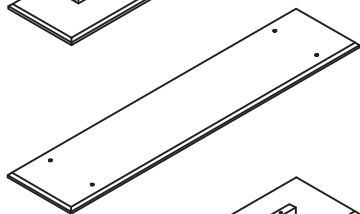

Bolts

14x

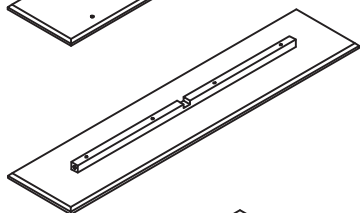

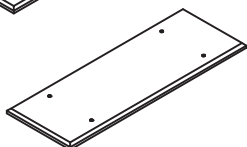

Shelf A
1x (Level 1)

Shelf B
1x (Level 2)

Shelf C
2x (Level 3 & 5)

Shelf D
1x (Level 4)

Left Ladder

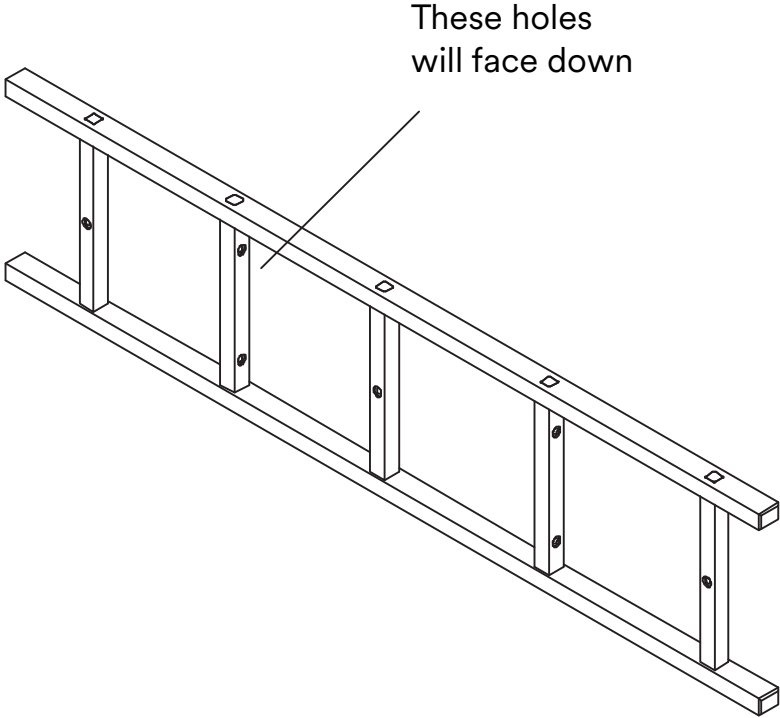

Right Ladder

Short Ladder

Step 1

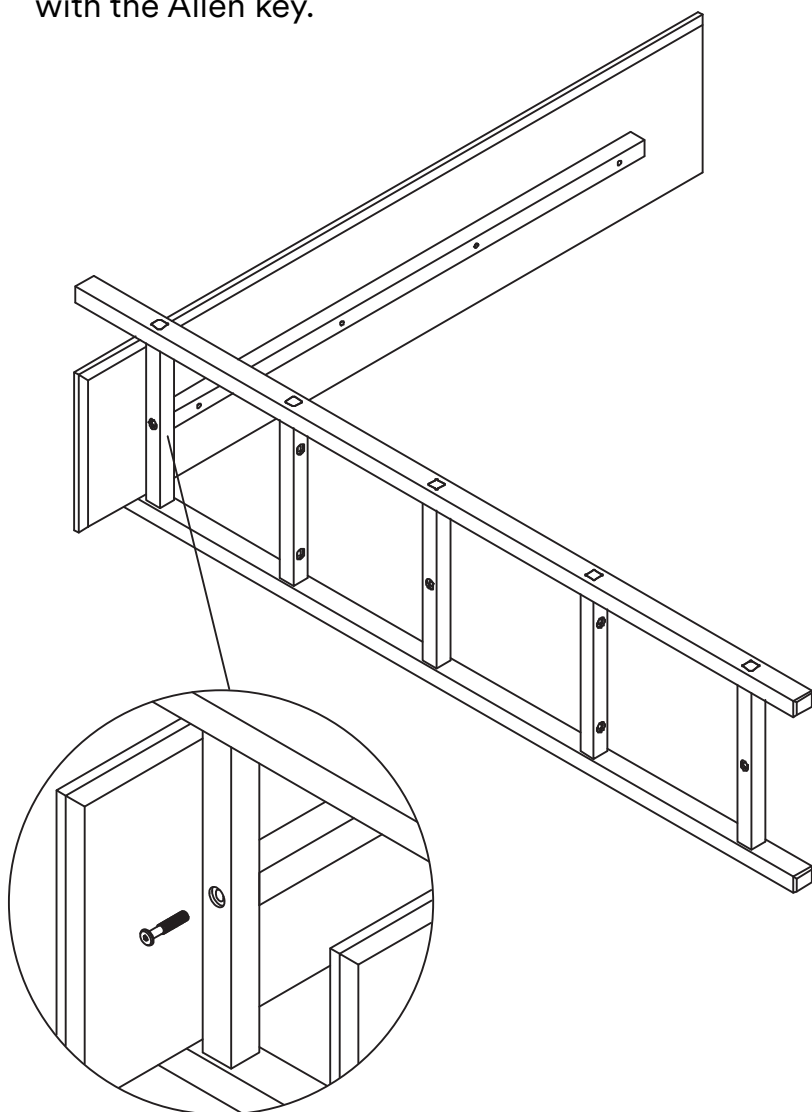

Place the Left Ladder on its side.

Step 2

Align Shelf A with the top rung of the Left Ladder.

Insert 1 bolt and tighten with the Allen key.

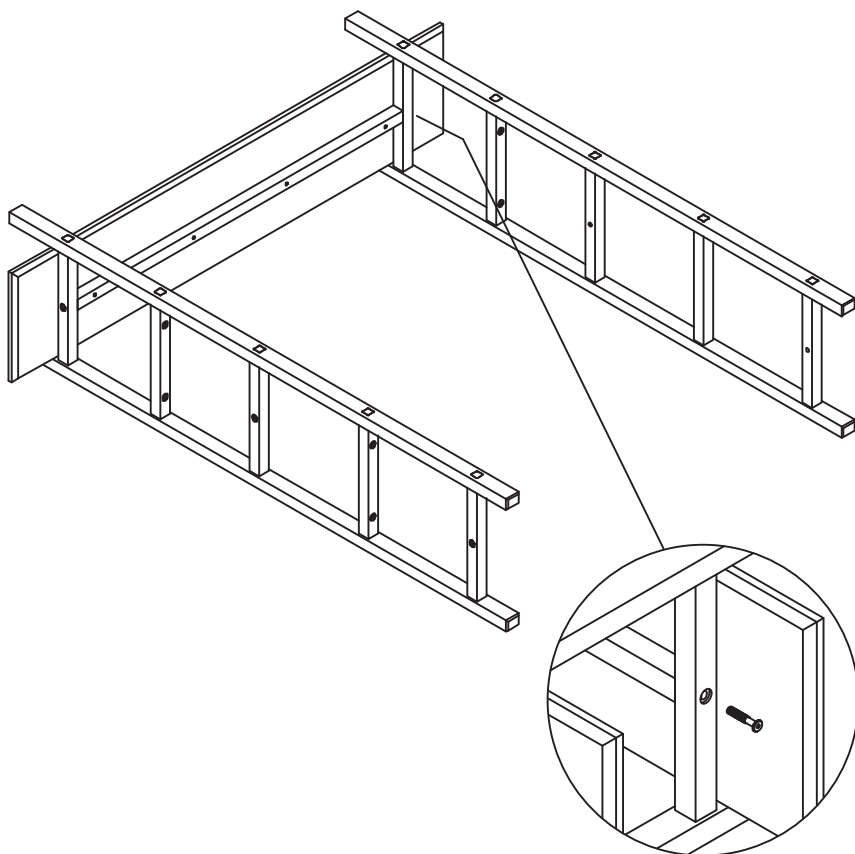

Step 3

Add Right Ladder

Position the Right Ladder opposite the Left.

Align with Shelf A and insert 1 bolt to secure.

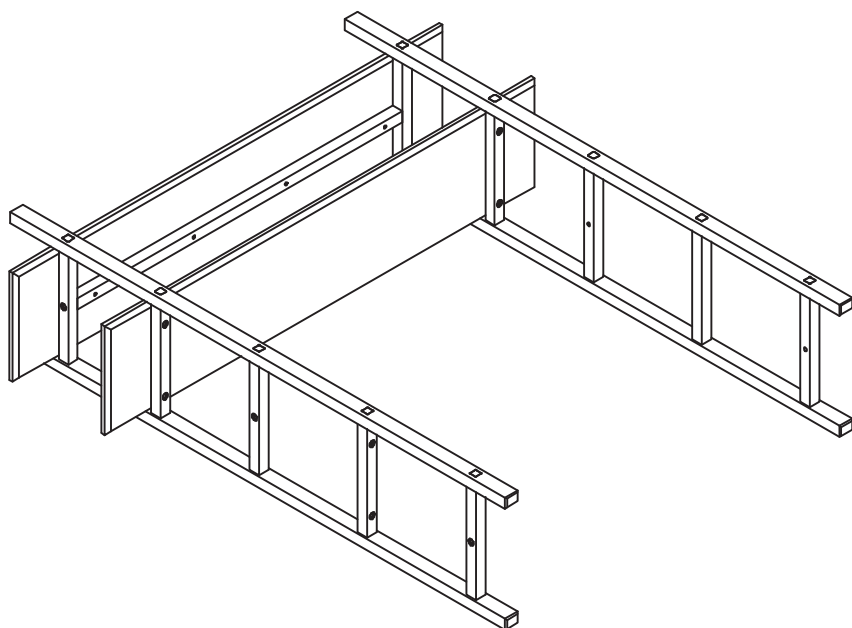

Step 4

Add Shelf B

Place Shelf B across the second rungs of the Left and Right Ladders.

Use 4 bolt to secure from the bottom.

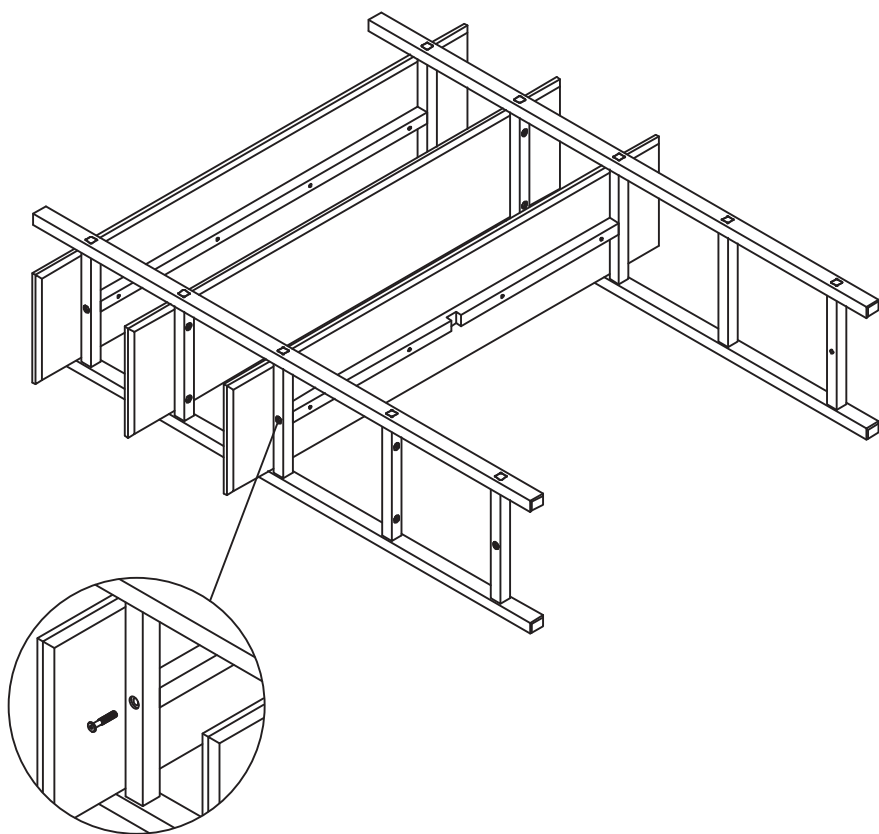

Step 5

Add Shelf C

Place Shelf C across the third rungs of the Left and Right Ladders.

Use 2 bolt to secure from the sides.

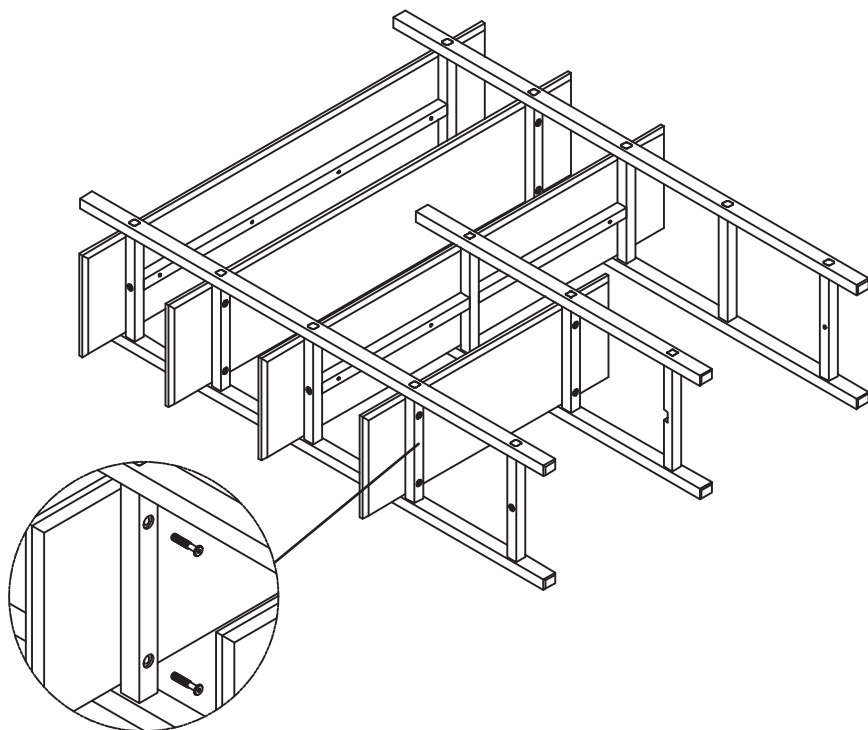

Step 6

Add the Center Ladder & Shelf D

Align the notch in the top rung of the Center Ladder with the notch in the bottom of Shelf C.

Place Shelf D across the rungs of the Left and Center Ladders.

Insert 4 bolts and tighten from below.

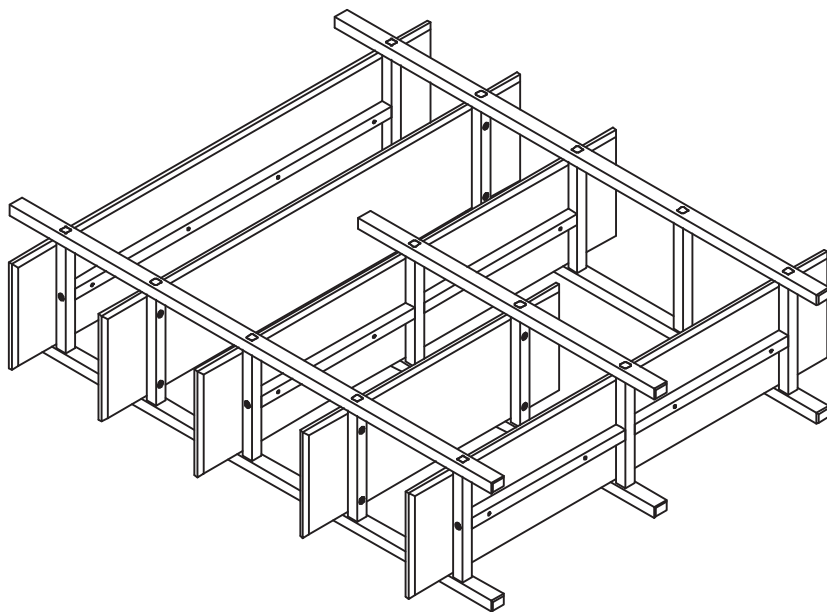

Step 7

Add Shelf C (Level 5, bottom shelf)

Align the Bottom Shelf with the bottom rungs of all three Ladders.

Insert 2 bolts and tighten from the sides.

We can't wait to see what you've done with
the place. Share your new interior with us
