[IT] Crema colorante demi-permanente per effetti tono su tono estremamente luminosi. Ideale per tonalizzare, esaltare i riflessi e mascherare i primi capelli bianchi.

[EN] Demi-permanent cream color with luminous tone on tone effect. Ideal for toning and enhancing hair color or for blending first signs of white hair.

[ES] Coloración demi-permanente en crema para efectos tono sobre tono extraordinariamente brillantes. Ideal para tonalizar, exaltar los reflejos y ocultar las primeras canas.

BIOTECH
OLIVE
COMPLEX

Contiene estratto di foglie d'olivo ottenuto attraverso la biotecnologia e un polimero che esalta il colore. L'attivo è purissimo e altamente concentrato grazie alla fermentazione biotecnologica. Dona un colore luminoso, vibrante e multi-sfaccettato.

Contains olive leaf extract obtained through biotechnology and color enhancing polymer. Extra pure, high concentrated active thanks to biotechnological fermentation. Provides luminous, vibrant, multifaced color results.

Con extracto biotecnológicos de hojas de olivo, y polímeros que acentúan el color. El principio activo es muy puro y altamente concentrado gracias a la fermentación biotecnológica. Da un color brillante, vibrante y multidimensional.
