Coating: **Crinkle Latex (double dipped tips)**

## Suggested Applications

- Construction
- Scaffolding
- Engineering
- Agriculture
- Banksmen
- Infrastructure
- Landscaping

**WARNING: This product contains natural rubber latex which could cause anaphylactic responses.**

## Limitations of Use:

**Maintenance** - Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.

**Storage** - Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.

**Disposal** - Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.

**Cleaning** - Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.

**Durability** - The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.

**Note** - Due to the nature of this product the user is advised to carry out their own risk assesment before use, depending on application.

## Testing Requirements

These items comply with the requirements of Module B of the PPE Regulation (EU) 2016/425 and the harmonised standard(s) referenced.

The CE mark indicates that the product complies with the general requirements, as laid out in the PPE Regulation (EU) 2016/425: Personal Protective Equipment Directive, EN420 + A1:2009 Protective Gloves General Requirements.

EN388:2016 performance levels shown are taken from the palm area only.
