Suggested Applications

- Assembly
- Minimal Risk Tasks
- Packaging
- Gardening
- Warehousing
- General Handling
- Fine Arts

Limitations of Use:

Maintenance - Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
Storage - Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
Disposal - Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
Cleaning - Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
Durability - The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
Note - Due to the nature of this product the user is advised to carry out their own risk assesment before use, depending on application.

Testing Requirements

These items comply with the requirements of Module B of the PPE Regulation (EU) 2016/425 and the harmonised standard(s) referenced.
The CE mark indicates that the product complies with the general requirements, as laid out in the PPE Regulation (EU) 2016/425: Personal Protective Equipment Directive, EN420 + A1:2009 Protective Gloves General Requirements.
Declaration of conformity available at www.just1source.com

**This glove is classed as Category 1,
suitable for Minimal Risks Only**
