Limitations of Use:

Maintenance - Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
Storage - Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
Disposal - Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
Cleaning - Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
Durability - The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
Note - Due to the nature of this product the user is advised to carry out their own risk assesment before use, depending on application.
