America's Finest China

Experts worldwide recognize Pickard's dedication to excellence. A quality tradition passed down through three generations of the Pickard family since 1893.

Worldwide Prestige

With Pickard china, your home can echo the elegance of U.S. embassies throughout the world where only the very finest is acceptable.

As distinguished as its heritage, Pickard china will grace your home forever.

The China of Presidents

Pickard is honored to have created the custom china used aboard Air Force One by Presidents George W. Bush and William J. Clinton.

Proudly Made in America

Pickard china is hand-crafted by skilled American artisans. The 24k gold, pure platinum and brilliant cobalt are incomparable.

The official Air Force One china.
