WE CAN HELP

Mystagolf A.I.Nutrition has an Immunology Management background in the Pharmaceutical Industry and in Nutritional Sciences. Our expertise is Evaluating Nutritional Research and Data. I am not a practitioner or a medical doctor.

This Guide is meant for educational purposes only, and does not represent Medical or Nutritional advice nor is it a substitute for seeking such advice from a qualified health professional.

The Consultancy and Guide are not to be used to diagnose or treat any disease. The Health Consultancy and guide do not establish a doctor/patient or a coach/client, relationship. Proceed with our suggestions and regimen at your own risk.

In doing so, you agree to not hold [JvJDNA Health Company](#) liable for any consequences of your learnings and health choices.

As a client of JvJDNA Health Company, your signature gives consent to JvJDNA to share your personal health assessment with the scheduled & attending physician during our consult. The information is gathered for the purpose of any future interaction with the attending physician only, for the best continuity and health support possible.
