

Model CL-1223

This 13" thermal pouch laminator is ideal for general home and multi-purpose use to protect and enhance important items such as: documents, artwork and photos. The unit warms up in about 3-5 minutes and can be used for laminating 3 or 5 mil documents or set to cold setting to seal self-sealed pouches. Uses high quality 2 roller hot shoe technology to provide consistent, even and flat lamination without wrinkling, bubbling or hazing

FEATURES

Fast, Easy to Use

- Simple front load feeding system laminates at 250 mm / minute
- Thermal laminator warms up in just 3-5 minutes
- Compact design makes it easy for storage

Multi Use

- Use for large documents, presentation materials, scrapbook pages, posters, photos, menus, display luggage tags, business cards, ID cards and more
- Laminates pouches from 3 to 5 mil or use cold setting for self-sealed pouches

High Quality 2 Roller System

- High quality 2 roller hot shoe lamination heats through the hot shoes to provide consistent, even and flat lamination without wrinkling, bubbling or hazing

Anti-Blockage System

- Anti-blockage system makes it easy to recover misfed or jammed documents

Model CL-1223
