

2.6 Cu. ft Compact Refrigerator

Model RMF-74SS

This 2.6 cu ft compact refrigerator is ideal in size for smaller living space applications such as a mini-bar, in a game room, dorm room, garage, or office. Features a half-width freezer compartment, tempered-glass shelves and a door that is ideal to store a 2-litre bottle and more. Energy Star certified, this refrigerator is equipped with a reversible door, which gives you more options when choosing where to place the refrigerator. Adjustable thermostat control enables for quick and simple temperature adjustment.
