

Camellia Frankincense

THE GOLD STANDARD IN SKIN RENEWAL

PURAS
non-toxic · non-carcinogenic

CAMELLIA

Fantastically Rich

Contains over 98% long-chain fatty acids, which makes it immensely hydrating and nourishing for the skin!

Exceptional Longevity

A true symbol of timeless beauty, the plant can live for 100-200 years in the wild.

FRANKINCENSE

The King of Essential Oils

Powerful health benefits including anti-septic, anti-inflammatory, anti-oxidant, anti-bacterial, and anti-ageing properties.

A True Cure-All

Promotes balanced moods and healthy cellular functions, boosts the immune system and supports smooth, healthy skin.

BETTER TOGETHER

While exceptional by themselves, it is when synergistically combined that the true potential of Camellia oil and Frankincense essential oil become visibly extraordinary.

Remarkable Renewal & Revitalisation

- Improves skin elasticity, maintaining youthful & radiant complexion.
- Packed with antioxidants that uplift and rejuvenate dull and tired skin.
- Boosts the skin's cell renewal ability.

Lighter & Brighter

- Assists in inhibiting enzymes that cause pigmentation.
- Potential to lighten pigmentation without use of bleaching agents.

Supreme Nourishment for the Skin

- Prevents trans-epidermal water loss and maintains skin hydration.
- Fatty acids and polyphenols enhance the skin's natural ability to repair its own lipid barrier.
- Protection against environmental damage like pollution and UV rays.

AFFORDABLE LUXURY, EXQUISITE BENEFITS

The exceptional efficacy of the PURAS Camellia Frankincense range is brought to life in divine ways through our specially-curated range of skincare products - extraordinary luxury for everyday brilliance.
