

CHILL BUNNY WELLNESS

▲ CLASSIC CHILL BUNNY

▲ COMMERCIAL CHILL BUNNY CHILLER JULY 2025

Description:

Elevate your recovery space with the Chill Bunny premium commercial ice bath.

Featuring Canadian Western Red Cedar cladding, 316 marine-grade stainless steel lining, and a powerful 1.5HP commercial chiller, our baths expertly combine design and function.

The Chill Bunny Gen II residential chiller offers a temperature range of 3-42°C and a chill/heat rate of 6 degrees per hour for efficient hot-cold therapy.
