

Cosimo Mirarchi – Designer & Master Jeweller

Cosimo Mirarchi is the inner west's newest Designer Jeweller bringing city exclusivity to Five Dock.

He has attracted the likes of pop star Samantha Jade and celebrity dress maker Stevan Khalil and even seeking advice from Mark Bouris from the celebrity apprentice. At a young age Cosimo was always motivated to be more than the average person and push all the boundaries in the design world.

Cosimo Mirarchi began his illustrious journey at the young age of 19, where he discovered his true passion and love for jewellery. Becoming a Jeweller was the perfect outlet to showcase his unique creative talent. This advice was given to him by his design and technology teacher as he saw great potential in his ability to put things together without guidance. Soon he realised that being a jeweller was more than just a job. It is the individual clients who inspire him with ideas to channel his innermost creativity to craft unique pieces of jewellery. His dedication and abundance of knowledge is shown through his work. Every piece of jewellery designed is created with passion, meticulous craftsmanship and exquisite styling. Having been motivated to showcase his work, Cosimo decided to venture out on his own however finding the right location seemed extremely difficult as it took 5 years to find the perfect store that suited his desired plans.

COSIMO Jewellery has now recited in the heart of Five Dock where he is seen as an important part of the community and even through these uncertain times COSIMO has been ever so grateful for the generous support of the inner west community.

The fact that COSIMO has been nominated as a FINALIST for the 2020 local business awards within the first year of trading is extremely overwhelming. COSIMO is forever grateful and will keep continuing his path to success and provide the public with old fashion customer service and handmade jewellery.
