Maybe you're the type who plans well ahead and you've already finished shopping for Christmas. If not, there's still enough time to order gifts online and get them in ahead of the holiday.

If shopping closer to home is more your speed, don't miss our [guide to giftable local shops, brands and items, here](#).

If you're looking for that special something for the person in your life that lives in the kitchen, here are some ideas of gifts you can order to stuff their stocking or stow under the tree.

Stocking stuffers

- **[DrySee Waterproof Bandages](#)** -

These waterproof bandages are perfect for the cook in your life who is sharpening their knife skills but still learning. They feature patented liquid intrusion technology to alert you when water has breached the seal so you protect any cuts from possible exposure to contamination.
