

Molift Rail System Duo

A flexible gantry system

Suitable for all bed and room sizes, this 2 post gantry system has a rail length between 200cm (78,7") and 350cm (137,8") and has 4 step adjustable height up to 255 cm (100,4"), making this free standing hoist unit suitable for all bed and room sizes.

Easy to install

Due to the lightweight system it is easy to install the gantry and move it to a new location.

Supreme stability

The gantry system has supreme stability and a functional design.

Adjustable height

Height positions can be set at four fixed positions from 225 cm (88,6") up to 255 cm (100,4"). Adjust the height with the quick release pin.

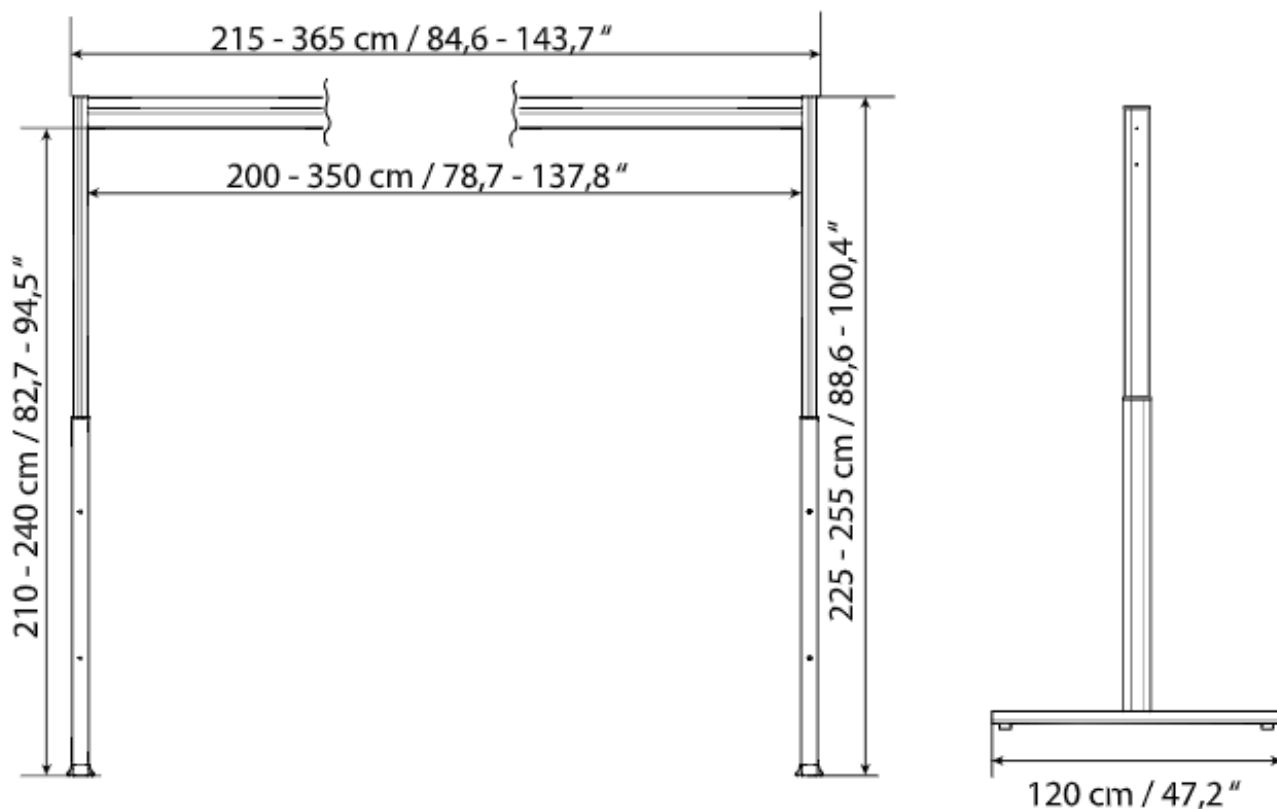

Charging of lift motor

Both Molift Air and Nomad motors can be charged with the hand control which is placed in the charger mounted on the post.
