ABOUT GIFT CART

With Giftcart at your service you'll never be stumped for gift ideas. Loads of fun, novel, sweet & cool gifts waiting for you.

Giftcart.com's sophisticated ecommerce technology coupled with Customer Experience (CX) Suite makes it a perfect platform for shoppers to gift their family members, friends, relatives, colleagues on any occasion. With the tailor made offerings suited for every personality, Giftcart.com aims to become one stop shop offering collectibles, electronics, novelty gift items and handicrafts.

OUR VALUES

GRATITUDE

The state of being grateful, warm and friendly towards a benefactor; kindness and thankfulness is awakened by a favour received.

INTEGRITY

We promote steadfast adherence to a strict moral code and keep our promises. We are committed to deliver with utter sincerity, honesty and candor. We Keep our customers' goals in mind and act with complete trust and predictability.

FRUGAL

We save money for the company. We spend less during delivery and negotiate with our suppliers to offer our customers a fair price.

TRUSTWORTHINESS

Leaders are open-minded, they genuinely listen and are willing to examine their strongest convictions with humility. We lay huge emphasis on trust management.

CUSTOMER OBSESSION

We work vigorously to earn and keep customer's trust. Although leaders pay attention to competitors, they are obsessed about customer's relationship.

AGILITY

We are agile and we combine balance, speed, strength and coordination to achieve our results.

RESPECT

Trust is what allows us to have meaningful relationships with people around. We always work to earn respect from people we do business with.

TENACITY

We are passionate and committed to something even when the going gets tough. We never give up and we never surrender!

VISION

To offer the finest gifting experiences across web, mobile and social networks.

To become the leader in e-gifting worldwide, delivering superior products and experiential services.

To make Giftcart.com a leading digital brand asset by generating revenue from differentiated marketing models.
