

TOY TOWER CARD INSTRUCTIONS

Thank you for downloading our Toy Tower Cards! Please review the instructions below to create the best results for your Toy Tower.

1. Download your Toy Tower Cards PDF document and click 'Edit a PDF' on the left side of the document window.
2. On the left side of the document window, click 'Organize Pages'.
3. Remove any Toy Tower Cards that don't apply to your unique Toy Tower product selection by deleting the pages.
4. Once you've finished making your selection of Toy Tower Cards, exit out of the 'Edit' window.
5. Load your Matte 300 GSM paper into your printer.
6. On the top left corner of your document, select 'File' and 'Print'
7. Determine your printer location and click 'Print'.
8. Once your Toy Tower Cards have finished printing, use scissors or a paper cutter to cut the excess paper around your Toy Tower Cards.
9. Place your Toy Tower Cards in your Toy Tower and enjoy!
