

# CARPET & UPHOLSTERY CLEANING

## CARPET CLEANER

### GENERAL CARPET & UPHOLSTERY CLEANING

Carpet Cleaner is the ultimate carpet and upholstery cleanser. It's natural citrus solvent makes cleaning your carpet, floor mats, and upholstery a breeze. Unlike other carpet cleansers and all-purpose cleaners, our Carpet Cleaner doesn't leave behind any residue or chemical like odors. Your interior will be plush, rejuvenated, and smell refreshing.

**AVAILABLE SIZES:**  
16oz / Gallon

#### APPLICATION:

#### HIGHLIGHTS:

- Powerful citrus based cleaner for strong, effective cleaning of carpet & upholstery.
- Designed with low foaming aspects to ensure safe cleaning when using with a carpet extractor.
- Leaves zero residue that can cause re-soiling of stains.
- Concentrated formula dilutes 4:1 for effective and economical cleaning.

## SUPER SPOT

### ENZYME SPOT AND STAIN REMOVER

Super Spot is an enzyme based carpet & upholstery cleaner designed for those moments when something spills or maybe even worse. Breaks down protein and organic based stains, grease and oils. Cleans stains and odors caused by urine, blood, coffee, and God forbid...vomit. This stuff will leave your carpet residue free.

**AVAILABLE SIZES:**  
16oz / Gallon

#### APPLICATION:

#### HIGHLIGHTS:

- Enzyme based carpet & upholstery cleaner designed for cleaning protein and organic based stains.
- Active enzymes clean stains and odors caused by urine, blood, vomit, grease, and food spills.
- Concentrated formula dilutes 4:1 for effective and economical cleaning.

## FABRIC RX

### TANNIN STAIN REMOVER & PH NEUTRALIZER TO PREVENT RE-SOILING

For tannin stains apply directly to stain. Place a clean towel over stain and apply pressure using a brush or your hand. This will soak up the stains from the fibers. Rotate the towel and press multiple times. Repeats the above steps till desired results are achieved.

**AVAILABLE SIZES:**  
32oz / Gallon

#### APPLICATION:

#### HIGHLIGHTS:

##### Ready to Use:

- Removes tannin (coffee, tea, wine, soda) stains.
- Removes water stains from fabric.

##### Diluted 20:1

- Corrects "browning" and re-soiling from previous cleanings.
- Neutralizes the pH of our Carpet Cleaner and Super Spot which helps prevent stains from re-soiling.
