Units provided per 1000 kcal Metabolic Energy.

Complete and balanced meal formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profiles for growth/all life stages including growth of large-size dogs (70 lb or more as an adult). Also meets FEDIAF (European Pet Food Industry Federation) standards for all life stages.

Minimum values shown are for adult maintenance and meet or exceed recommendations for puppies, including growth of large size dogs (70 lb or more as an adult), while not exceeding maximums.
