

Mr. Ralph

Beautiful Lighting

iO2 SQUARE SHADE

Colours:

- Natural
- Black Edge

Materials:

- NZ Radiata Plywood
- Japanese Shoji Paper (removable)

Dimensions:

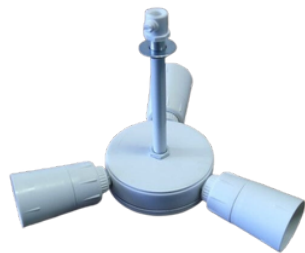

- 800mm wide x 800mm long x 400mm high

Recommended Fittings:

- This is available with a single lamp holder suspension set. Includes the 4 steel suspension cables attached to the shade, a single lamp holder, electrical cord and a ceiling rose.
- Also available is a triple lamp holder suspension set. This includes the 4 steel suspension cables attached to the shade, a triple lamp holder (3 bulbs required), electrical cord and a ceiling rose.
- The above suspension fittings are available in either Black or White and up to a length of 5 metres.

It is not recommended to hang this shade closer than 1 metre to the ceiling, as the tight angles of the suspension wire will put extra tension on the shade and could damage it.

Installation must be by a certified electrician.
