

CLEMENCE ELLERY

Clemence Ellery sets its sight with a launch collection featuring The Bloom Twins & photographer David Roemer.

Produced by Kelly Cutrone, People’s Revolution, the campaign features the Ukrainian-born and London-based DJ/ pop sensations and sisters Anna and Sonya Kuprienko, aka the Bloom Twins. The duo recently walked for designer Alessandro Michele’s Gucci Spring/Summer 23 Twinsburg collection in Milan. The “ Seeing Double” campaign features stand-out design pieces from three distinct Collections: Oceanic Highway, Communique, and Maquia. The campaign was styled by Sandy Armeni with Make-up by Kabuki, Hair by Gonn Kinoshita, and nails by Gina Oh.

The “ Seeing Double” campaign features stand-out design pieces from three distinct Collections: Oceanic Highway, Communique, and Emerald City.

OCEANIC HIGHWAY

The Oceanic Highway is inspired by the unparalleled power, mystery, and sound of the oceans and the promise of adventure on a new and open road. Drawing upon the metaphor, this collection expresses a woman's bold and ingenious spirit.

Delicate treasures of the ocean; Pearls, is reinvented with a contrasting edgy design with bold colors and black gold - a mysterious metal, adding a touch of darkness and intriguing fluidity that moves its wearer.

LAGOON SIREN PEARL CHOKER

Highly sought after for its vivid turquoise color, the 2.66 carats of perfectly cut Lagoon Tourmaline sits gracefully in a love knot bound in pavé diamonds and strung with the highest quality cream South Sea Pearls.

BOMBÉ MEDIAN SOUTH SEA PEARL NECKLACE

A juxtaposition, 'Yin - Yang', elegant pearls contrast with dauntless cuban chain. This necklace is handmade from 18K blackened gold with South Sea Pearls and interlocking cuban links on each side with a statement 'gauntlet-like' diamond bezel set Bombe pearl pendant.

SAVOIR FAIRE

A tribute for The Collectors, The Treasure-Hunters, women with divine taste and persona who will not settle for anything less. Each piece in this special curated segment has a story to tell behind it. From the origin of the stones, to the meticulous process from design to production which made it not possible to recreate an exact same piece.

Powerful like a poetry in motion. Each jewelry goes through painstaking hand-made process.

A creation, more than just valuable possession, a one-of-a-kind.
