### AmeriVacS Order Policy

- All machines are non-exchangeable & non-returnable.
- All machines require an Air Compressor except the CAV-Series\*\*.
- A 15% restocking fee will be applied to all part returns.
- A handling charge will apply to all orders, including freight collect.
- All sales to companies outside the United States of America require bank transfer of funds for full payment to our bank before shipment. A bank transfer fee will be added to orders less than \$1,000.
- We only ship via FedEx.
- All AmeriVacS Vacuum Sealers are FOB, our San Diego, California factory.
- List prices effective 01/01/2024. Prices are subject to change without notice.
- All prices are shown in US Dollars.

**\*1-week trial period for evaluation.** This trial period does not apply to custom-made machines. If a non-custom unit is returned, it must be received at AmeriVacS in "as new" condition. Packaging shall be appropriate to ensure safe shipment. When a unit is returned, a credit memo will be issued to be used against the original invoice. All shipping and handling costs are the customer's responsibility. Custom units include the following options: BAS, SS, CE, 220PX, DN, EC, LPC, TC, PE, SEAL BAR and/or VSS.

**\*2-year Limited Warranty.** All AmeriVacS Vacuum Sealers are warranted for two (2) full years from the date of delivery against electrical and mechanical defects, excluding normal wear items such as Heating Elements, Element Posts, Teflon, Pressure Bar Pads, Gray/Black Rubbers and Seal Gaskets. The warranty is voided if the machine is damaged due to improper or negligent use and/or unauthorized repairs. Further, this limited warranty does not cover any Acts of God, such as fire, hurricanes, floods, and tornadoes. Any defective machine under warranty that is returned freight prepaid will, at our option, be repaired or replaced by AmeriVacS at no charge.
