

**Chubby Chair** | *assembly instructions*

**content of box**

**assembly instructions**

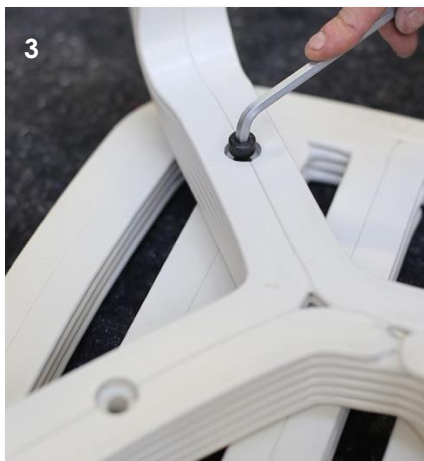

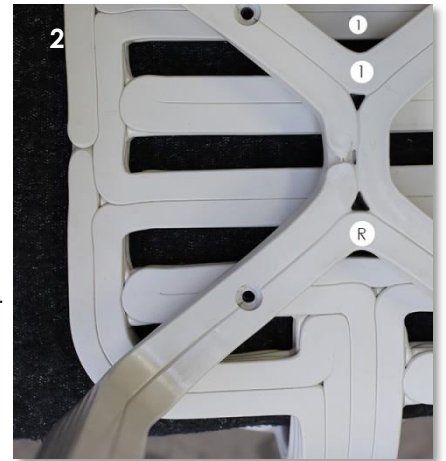

**1. put the chair on a raised surface.**

Please use bubble wrap or a moving blanket or likewise.

**2. make sure you turn the legs the right way around**

The 'R' indicates the back side, so turn the legs until the 'R' is the closest to you.

The numbers (on the picture '1') should be the same on both the legs and seat.

**3. screw the four allen bolts firmly**

Please use a Allen Bolt, #6 (6mm).  
This allen bolt is not included.
