

# PEDRO'S®

A close-up photograph of a person's hands working on a bicycle tire. The person is using a screwdriver with a yellow handle to adjust the tire. The tire has a prominent tread pattern. The person is wearing a watch on their left wrist. The background is dark and out of focus.

Tools and Bike Care for professionals - we keep you rolling

[pedroseurope.eu](http://pedroseurope.eu)

## CLEAN AND POLISH

Pedro's offer a range of proven bike care for wash, degreasing, polish and lubrication. The products are designed for performance and friendly for you and the environment.

**Green Fizz** - foaming wash, effectively remove dirt and grit, gentle on all materials (500ml / 1ltr / 3 x 500ml / 3 x 1ltr / 5ltr, Art. 613XXXX).

**Bye Grease** - degreaser for drivetrain and metal components, without environmental hazards (100ml / 500ml, Art. 630XXX).

**Bike Lust** - trusted formula for shine and protection of your frame, plastic and rubber (500ml / 5liter, Art. 606XXX).

## LUBRICATION

Proven and reliable lubrication and grease without hazard warnings

**Syn Lube** - the original synthetic lube for any weather and dirt conditions (100ml / 5ltr, Art. 601XXXX).

**ChainJ** - canola based oil for mixed weather (100ml, Art. 6110031).

**Go!** - canola based oil for dry conditons (100ml / Art. 6140031).

**Ice Wax** - natural wax for a dry and dirt free chain (100ml / 500ml, Art. 617XXXX).

**Bio Grease** - all purpose grease (85g, Art. 6195031A).

**Pedro's Grease** - lithium based grease for high pressure (85g, Art. 6315031).

**Grease Canister** - lithium based grease for high pressure ( 300g, Art 6315101)

**Grease Injector** - for clean and hazzle free application of grease (Art. 6006024)

## CLEANING TOOLS

Essential tools to make the cleaning and care of the bike easier and better.

**Chain Pig II** - handsfree washing machine for chain (Art. 6100313).

**Pig Pen** - kit with Chain Pig II, Bye Grease, small brush and Lube (Art. 6130350).

**Chain Pig Guts** - replacement of brush and sponge for the Chain Pig (Art. 6100321R).

**Mini Pit Kit 3.0** - bucket with Green Fizz, degreaser, lube, sponge, toothbrush, and cloth (Art. 6100404).

**Brush Kit** - four brushes for frame, wheel and drivetrain (Art. 6100700).

**Tooth Brush** - for cleaning of chain (Art. 6400520).

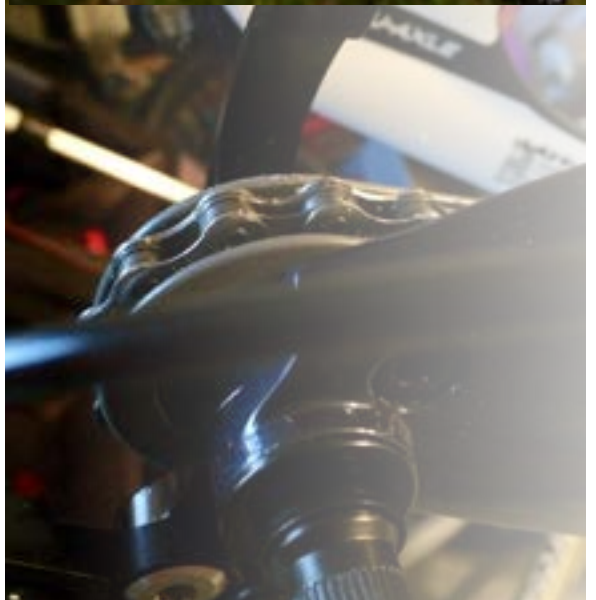

**Travel Chain Keeper** - support rear dropouts during travel, adjustable to fit QR and 12mm through axle frame (Art. 6400570).

**Pro Chain Keeper** - allows full forward or backward rotation of drivetrain and shifting through full range of gears, for QR dropouts (Art. 6400565).

**Chain Keeper** - allows full forward or backward rotation of drivetrain and shifting through full range of gears, for QR dropouts (Art. 6400565).

## Take me Home

Good rescue tools makes all the difference between walking or riding back

Our epic tire levers started off from recycled milk bottles - today we use special resin to make them stand up to modern tyres - not unbrakable but close, skill is also needed

**Tire Lever pairs** - available in yellow and pink (Art. 64000XX)

**Tire Levers 24 pack** - yellow pairs or box with 4 colors (Art. 6400XXX)

Rx Micro tools and Tire Levers combine design, 6061 aluminum body with CroMo tool steel bits and outstanding surface treatment and selection for modern bikes. Match any of the multi tools with your favourite color tire levers.

**Rx Micro-6** - Hex 3,4,5,6 mm, T25, Flat blade screwdriver (Art. 6463215)

**Rx Micro-9** - Hex 2.5, 3,4,5,6, 8 mm, T25, T30, Flat blade screwdriver (Art. 6463220)

**Rx Micro-20** - Hex 2.5, 3,4,5,6, 8 mm, T25, T30, Flat blade screwdriver, chain tool, spoke wrenches, crank cap tool, Presta valve core tool and micro levers (Art. 6463225)

**Rx Micro Counter Display** - 3 x Rx Micro-20, 4 x Rx Micro-9, 5 x Rx Micro-6 (Art. 6463220)

**Micro Levers Counter Display** - 25 pairs, 5 colors (Art. 6400040)

The ICM multitools pack a wide range of tools with long bits

**ICM-21** - (Art. 6400XXX)

**ICM-15** - (Art. 6400XXX)

The Folding Tools offer shop quality tools for every day use

**Folding Hex** - (Art. 6463110)

**Folding Hex-Torx** - (Art. 6463115)

**Folding Hex-Screwdriver** - (Art. 6463120)

**Trixie - Black Chrome** - for the single speed and fixie community (Art. 6460308)

## INFLATION

**Domestique** - Our value option, steel and plastic construction, dual head with thumb lock, high air volume per stroke but lower max pressure, max 8 Bar (Art. 6450520)

**Prestige** - Designed with a long stroke, narrow barrel design to quickly inflate tires, but with less effort, up to 11 Bar. Steel and plastic construction, dual head with thumb lock (Art. 6450500)

**Super Prestige** - High quality alloy steel construction for durability and long stroke, narrow barrel design to inflate tires up to 11 Bar. An automatic head design that instantly adapts to either presta/schrader tube valve types with integrated bleed valve (Art. 6450510)

## MOBILE WORKSHOP

**Folding Repair Stand with Bag** - durable three-point base is more stable than traditional tripod bases. 360-degree rotating head accepts tubes up to 65mm, and trigger grip makes for one-handed clamping action.

Height adjusts from 1075 to 1875 mm and folds to a compact size for easy transport.. Comes with heavy duty bag for easy storage (Art. 6450700)

**Portable Work Bench** - waterproof laminated work-top surface, two height settings, and durable design, this bench is perfect for creating a dialed setup to work on any bicycle in any location. When not in use the bench folds flat making for efficient storage and easy transport. (Art. 6450800)

## BENCH TOOL KITS

**Master Bench Tool Kit** - extensive tool set with 121 professional quality tools packaged simply to ensure the best possible value. Inside you will find nearly every available Pedro's tool ready for any installations, overhauls, and repairs that come your way. The perfect kit to set up a professional bench. (Art. 6450676MBTK)

**Apprentice Bench Tool Kit** - includes 55 professional quality tools packaged simply to ensure the best possible value. You won't find a glorified fishing tackle box but instead a wide variety of professional tools ready to tackle installations, overhauls, and repairs (Art. 6450610)

## TOOL ROLLS

**Burrito Tool Roll II** - his professional grade tool roll features a large 60x40cm surface with reinforced pockets in assorted sizes, versatile elastic strap pockets, elastic hex bit pockets, and a large mesh zipper pocket to securely hold small parts or personal items. The Burrito II also features a unique x-frame system that converts the flexible roll into a rigid tool pallet (Art. 6400696).

**Burrito Tool Roll** - features 20 pockets and fits tools up to 350mm in length (Art. 6400695).

**Pro Burrito Tool Kit** - The Pro Burrito Tool Kit features 41 handpicked professional tools and an extensive selection of 1/4" hex bits all enclosed in a versatile waterproof tool roll. The tools are stored in Burrito Tool Roll II (Art. 6400685).

**Burrito Tool Kit** - The Burrito Tool Kit offers 24 handpicked professional tools enclosed in a versatile waterproof tool roll. The tools are stored in Burrito Tool Roll II (Art. 6400681).

**Master Tool Kit 4.0** - The original professional event tool kit, Pedro's Master Tool Kit has been trusted by mechanics around the world since 2004 and has a track record matched by no other. Building upon this solid foundation, the new 4.0 edition features updates from top to bottom.

Includes 59 professional tools, heavy-duty case adds 1.6 liters of internal space while the wheeled design with retracting handle and two carry handles adds ease and convenience. Extra tool clips included for your personal setup. (Art. 6450658)

**Starter Bench Tool Kit** - The Starter Bench Tool Kit is designed for the aspiring mechanic looking to get started with the right professional quality tools and room to grow as new skills are learned (Art. 6450620)

## GENERAL BENCH TOOLS

**Tape Measure - 3 meter** - (Art. 6000054).

**Utility Knife** - (Art. 6450410).

**The Hammer II** - (Art. 6450911).

**Replacement Faces for the Hammer - 2pcs** - (Art. 6450910R).

**Magnetic Parts Tray** - (Art. 6451150).

**Ratcheting Combo Wrench Set - 8 piece** - (Art. 6460500).

**Adjustable Wrench** - (Art. 6460530).

**Screwdriver Set - 5 piece** - (Art. 6464300).

**Screwdriver set - 2pcs** - (Art. 6464310).

## HEX and TORX

- Y Hex - 2, 2.5, 3mm** - (Art. 6462604).
- Y Hex - 4, 5, 6mm** - (Art. 6462607).
- Y Hex - 4, 5, 6mm with ball end** - (Art. 6462656).
- Y Torx - T10, T25, T30** - (Art. 6462661).
- L Hex Set - 9 piece** - (Art. 6460100).
- L Torx Set - 7 Piece** - (Art. 6460110).
- Hex Driver - 5mm** - (Art. 6463024).
- Hex Driver - 6mm** - (Art. 6463036).
- Hex Driver - 8mm** - (Art. 6463038).
- Hex Driver - 10mm** - (Art. 6460241).
- L Hex - 12mm** - (Art. 6460112).
- Pro TL Hex & Torx Set II w/ Pouch** - (Art. 6451553).
- Master T-handle set II w/Pouch** - (Art. 6451701).

## TOURQUE, BITS & DRIVERS

**Fixed Torque Drive - 4Nm**, yellow - (Art. 6464310).

**Fixed Torque Drive - 5Nm**, orange - (Art. 6464310).

**Fixed Torque Drive - 6Nm**, green - (Art. 6464310).

**Grande Torque Wrench (10-80Nm)** - (Art. 6464310).

**Demi Torque Wrench II & Bit Set (3-15Nm)** - (Art. 6464310).

**T-Handle w/ Bits** (2-11Nm) - (Art. 6463605).  
 - Multi-Torque Bit Set - 8 piece - (Art. 6460650).

**Pro Bit Driver** - PH #1, PH #2, 5mm Flat Blade - (Art. 6464320)  
**Pro Bit Driver** - 2 & 2.5mm Hex, T25 Torx - (Art. 6464321)

**Torque Bit Set** - (Art. 6460610).

**Torque Bit Set II** - (Art. 6460611).

**Pro Bit & socket set** - 31 pcs - (Art. 6460605).

**Large Sizes Hex Bit Set** - 6 pcs - (Art. 6460601).

**Crowfoot Pedal Wrench**, 3/8" drive - (Art. 6463020).

**Crowfoot Flare Wrench**, 1/4" drive, 7 & 8 mm - (Art. 6460608).

## CABLE, BREAK & GEAR

**Cable Cutter** - (Art. 6451250).

**Cable Puller** - (Art. 6451255).

**Diagonal Cutters** - (Art. 6451260).

**Needle Nose Pliers** - (Art. 6450420).

**Disc Wrench** - (Art. 6460505).

## FORK, HEADSET, WHEEL & HUB

**Headset & BB Press** - professional quality tool designed to precisely and accurately install headsets as well as most press-fit bottom brackets (Art. 6450920).

**Pro Saw Guide** - (Art. 6451270).

**Star Nut Setter II - 1" & 1 1/8"** - (Art. 6450906).

**Headset Wrench - 32-36 mm** - (Art. 64620XX).

**Downhill Tire Lever** - (Art. 6400025).

**Pro Spoke Wrench - Set of 3** - (Art. 6460451).

**Cone Wrench - 13-28 mm** - (Art. 64620XX).

**Cone Wrench Set - 19 pieces** - (Art. 6461001).

## CASSETTE & CHAIN

**Pro Chain Whip** - (Art. 6451310).

**Vise Whip II** - (Art. 6451506).

**Pro Socket Handle 2.0** - (Art. 6460155).

**Pro Cassette Lockring Socket with pin** - (Art. 6460001).

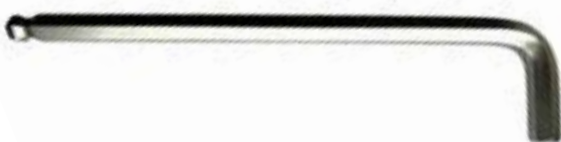

**Pro Cassette Lockring Socket without pin** - (Art. 6460005).

**BB & Cassette Socket Campagnolo** - (Art. 6460205).

**Freewheel Socket, 4 notches** - (Art. 6451226).

**Freewheel Socket, Multi-Speed 12-Spline x 23mm** - (Art. 6451230).

**Freewheel L Hex - 12 mm** - (Art. 6460112).

**Chain Checker Plus II** - (Art. 6460701).

**Six pack Chain Tool** - (Art. 6460300).

**Shop Chain Tool 1.2** - (Art. 6460322).

**Pro Chain Tool 3.2** - (Art. 6460332).

**Tutto Multi Chain Tool II** - (Art. 6460341).

**Quick Link Pliers** - (Art. 6460710).

## **CRANK, PEDAL & BOTTOM BRACKET**

**Hex Driver II - 6mm** - (Art. 6463036).

**Hex Driver II - 8mm** - (Art. 6463038).

**Pro Travel Pedal Wrench** - (Art. 6463006).

**Equalizer Pedal Wrench II - 15 mm** - (Art. 6463011).

**Compact Crank Removed-Square Taper & Splined**  
- (Art. 6451201).

**Universal Crank Remover with handle** -  
(Art. 6451210).

**Crank Adjusting Cap Driver** - (Art. 6451215).

**Bottom Bracket Bushing Set** - (Art. 6450925).

**BB Socket - Splined (ISIS), 20 teeth** - (Art. 6460202).

**BB Socket Holder II** - (Art. 6460211).

**BB Hex Driver Campagnolo - 10mm** - (Art. 6460220).

**BB & Cassette Socket Campagnolo** - (Art. 6460205).

**External Bottom Bracket Socket II, 16x44** - (Art. 6460261).

**BB Wrench - Campagnolo & SKS 6 notch** - (Art. 6460230).

**BB Wrench II - Shimano 'Integrated' 16x44** - (Art. 6460241).

**BB Wrench - Shimano 6 notch** - (Art. 6460250).

**BB Wrench - Shimano 8 notch** - (Art. 6460270).

**BB Wrench - Shimano 16x41** - (Art. 6460280).

**BB Wrench - Shimano 16x39** - (Art. 6460290).

**BB Wrench - BSA30 12x46** - (Art. 6460295).
