Life.

The ritual of coffee is a daily pleasure that accompanies many important moments in our lives: at home, in the office, with friends.

The way you choose to experience them deserves special attention, the same attention you give to the choice of a design and furniture elements.

life.

life is a coffee grinder designed to enrich your spaces and your moments: easy to use, it will be your accomplice in experiencing the true pleasure of coffee, in a free, curious, complete and eclectic way.

Discover new ways of making coffee, always with Italian style and design.
