

VC-E

Recommended!

**PRO-JECT VC-E
CLEANER**

**OUTSTANDING - amongst
the best**

FOR

- very well made
- easy to use
- can transform your records

AGAINST

- for 7in. singles you will need the VC-S2 ALU
- no means of confirming reservoir state

VALUE

- keenly priced

VERDICT

The VC-E puts effective record-cleaning within the budgets of every analogue fan

This modestly-priced Pro-Ject cleaning machine will help you to get the best from your records, whether you're digitising them or merely playing them. A few niggles there may be, but the VC-E is built to last a lifetime and performs impeccably.
