“This is a huge step in the right direction”

Watch the Video

- **Very nice quick-startup guide.**
 - Overall **good build quality.**
 - This is a **huge step** in the right direction.
 - The **phonocable is very nice.**
 - If one is looking for a fully automatic turntable, **this is about the only game in town.**
 - **It sounds great.**
 - Binge-listen with your new Pro-Ject fully automatic turntable and **fill your soul with happiness.**
- I think the **automatic functionality is awesome.**
