**"So simple and so intuitive!"**

**Watch the Video**

- You just have to see it **with your own eyes!**
- You can **see the clean workmanship** directly.
- Very **pleasant to look at and to use.**
- A **solid and well thought out device!**
- The **built-in phono preamp** makes everything **very lively and pleasant** to listen to.
- This is the **first fully automatic turntable** that I have **nothing to complain about.**
