

For **\$85/month** you'll receive four of our favorite wines - often new releases and selected for the season (i.e. more reds in the winter). With each wine will be a writeup about the wine's background, tasting notes, and pairing suggestions.

Wines will be available for **pick up at the shop in downtown Spooner the first week of every month** (during business hours).

To sign up for our wine club, please **email your completed form to club@claritywineshop.com** or drop it off at the shop.
