

Accessories for FireKing Lateral Files, 38" W

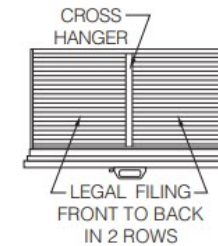

< **Casters** - Make your FireKing file cabinet portable with a 3.5" caster base. (**#3.5CB 38**)

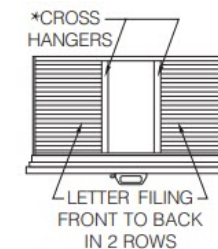

< **Document Inserts**- Document inserts are available for organizing various nonstandard size documents in the file. For this file, 5-section document inserts are available for 4" x 6" cards (**#54615**). 6-section document inserts are also available for 3" x 5" cards (**#63515**).

< **Adapter Bar 38" (#300780(M))**- This accessory, designed for 38" wide lateral files, transforms a legal-size drawer into one suitable for letter-size filing, with folders arranged in a side-to-side orientation.

< **Cross Bar (#513205(P))**- This accessory transforms a drawer into one suitable for filing legal-size files with folders arranged in 2 rows in a front-to-back orientation.

This accessory may also be used to transform a drawer into one suitable for filing letter-size files with folders arranged in 2 rows in a front-to-back orientation.
