

Accessories for FireKing Vertical Safe In File, 31" D, Legal

< **Follower Blocks**- A follower block is a device used inside a filing cabinet drawer to maintain files in an upright and forward position for easy access and organization. Follower blocks for this legal size file cabinet are available in sets of 2 (#319020)

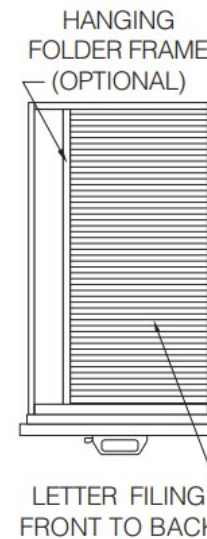

< **Cross Trays** - Cross trays sit horizontally or vertically across a standard file drawer and are great for storing small items, cards, checks, etc. Available for 5"h x 8"w cards (#5815), 6"h x 9"w cards (#6915), and 9"h x 6" w cards (#9615)

< **Document Insert**- The document insert accessory provides a convenient way to file various nonstandard size documents. For this file, a 3-section document insert is available for 9-1/2"h x 5"w cards. (#39526)

< **Top inner drawer, legal-size**- The inner drawer accessory fits inside standard file drawers and comes complete with glide rails for smooth operation. (#41526). Factory installed, this accessory is available empty or with a 3-section insert for 3" x 5" cards (#31526) (shown) or with a 2-section insert for 3-1/4" h x up to 7-3/8" w checks & cards. (#21526). Installed in the second drawer from the top.

< **31" Hanging Folder Frame/Adapter Bar (#513640)**- This accessory, designed for 31" deep fireproof file cabinets, transforms a legal-size drawer into one suitable for letter-size filing, with folders arranged in a front-to-back orientation.
