

GFR-9F: Genesi 90cm

Freestanding French-Door Refrigerator

The Genesi 90cm French Door Refrigerator, available in four different colours is a culmination of high technology and luxurious design, conveying all the sophistication you'd want in today's modern kitchen. Organise family get togethers or any social gathering with confidence with a 630L capacity and 800mm wide shelves.

The Genesi 90cm French Door refrigerator focuses on ease of use and reliability with features such as a large multi-function LED touch control panel, in-door water dispenser and 3-tier freezer drawers. Featuring an electronic temperature control, a Holiday Powersave function, Super Freeze and Super Cool fast-cooling capability and more.

Available Colours: anthracite (shown right), white & black gloss

Features and Benefits:

Warranty	3 Years
Multiple Cooling Features	Total frost free, broad climate design, super freeze and super cool capability, alarm function & holiday power save function
Multi Air-Flow System	Provides efficient distribution of cool air through strategically placed wind channels in your appliance.
Electronic LED Control Panel	Control your Temperature Zones and manage your Refrigerator settings at the touch of a button.
Easy Slide Big Drawer Function	Easy to access setup in French Door arrangement
Internal LED Lighting	Interior LED light for fridge and freezer compartments
Spill Proof Glass Shelves	Smartly designed spill proof glass shelves which help to contain spills. Positioning of shelves can be easily adjusted to suit any need.
Energy Efficient	Four star freezer design with environment-friendly technology providing an A+ energy efficiency class while producing a low level of noise
In Door Water Dispenser	Ultra convenient access to cold water right from the front door. The built-in water container sits within the refrigerator and be easily refilled without the cost of having plumbed into a water system.
