Montageanleitung für kleine Wandleuchte

7. Schirm mit Ring festmachen	8. Höhe des Schirms mit Gewindestift anpassen
 <p>The diagram illustrates the process of attaching the lamp shade to the mounting ring. It shows a conical lamp shade with a small ring at its top edge. Above the shade, a larger ring with a central hole is shown. Below the shade, a mounting arm is shown with a ring at its end. The shade is being positioned to fit onto the mounting arm's ring.</p>	 <p>The diagram shows the lamp shade mounted on the wall. A mounting arm is attached to the top of the shade. A screw is being used to adjust the height of the shade. The screw is inserted into a hole in the mounting arm and is being tightened against the top of the shade.</p>
