

WMLX™ WHITE / IR

For great value and appreciable power in an ultra-compact white-light, our WML White / IR – Gen 3 is an optimal choice. If you're looking for a bit more, our WMLx White / IR – Gen 3 sets the standard for balancing output, reliability and size in a lightweight rifle light. Both weapon mounted rifle lights are made of glass reinforced nylon. This allows for lightweight yet durable construction. These devices are also impervious to dust, sand, and dirt, and are waterproof to 66 feet.
