## TECHNICAL DATA SHEET

### CHAIN LUBE DRY

**GLOBAL RACING OIL CHAIN LUBE DRY** is a lubricant with Teflon designed for all types of motorcycle chains, developed to provide maximum protection under the most severe conditions, in both city and highway riding.

**CHAIN LUBE DRY** is formulated based on special polymers that provide a highly adhesive lubricant film with great tensile strength.

- It spreads rapidly among moving parts.
- It includes a viscous, anti-wear oil that reduces friction while remaining adhered. It is completely impermeable and provides maximum lubrication and protection against rust.
- It is long-lasting and water-repellent and does not retain dirt.
- It is non-flammable.
- It does not detach due to centrifugal force.

Viscosity at 100° C	2800 cSt
Pour point	-4° C
ASTM D-685 oxidation test (in distilled water)	Passes
(in salt water)	Passes
Colour	White

**Meets the specifications of:** Yamaha, Suzuki, Honda and KTM

Revision: 01/17
