SILK NIGHTWEAR

New in: Colours Paisley Blue & Paisley Dark Blue

Timeless luxury for sophisticated men. The elegant nightwear is made of 100% flowing silk that shows a noble sheen. It feels soft and supple against the skin while being crease-resistant. We only use silk that has an extremely rare quality of 19 Momme. As a result, these styles are among the most exclusive in the world, exquisitely finished off with intricate piping.

The luxurious Silk Nightwear series is now also available in the authentic print designs Paisley Blue & Paisley Dark Blue.
