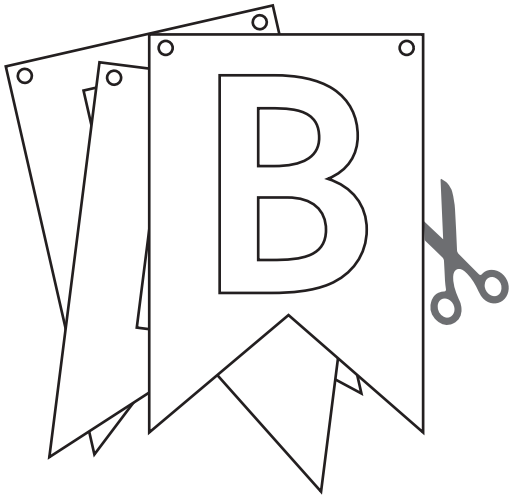
DIY FIRST-DAY BANNER

YOU WILL NEED:

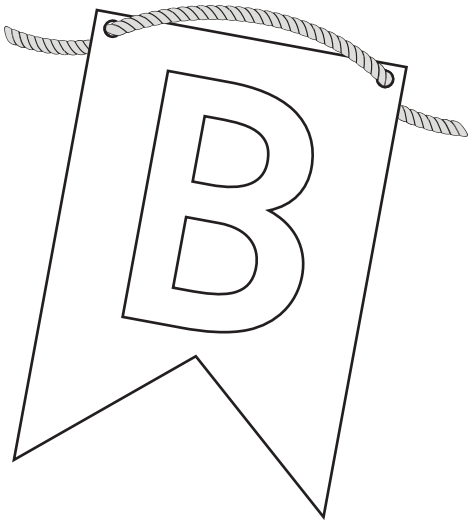


Coloring Utensils

Scissors

Ribbon, String or Yarn

INSTRUCTIONS:



1. Color and decorate your banner pieces!

2. Cut out each piece carefully and use a hole punch to remove the circles at the top.

3. Measure and cut a long string for the desired length of your banner.

4. Weave the string through both holes on each flag.

5. Hang the banner where desired and adjust the spacing between flags as needed.
