SIMPLY SKYE

AUTHOR: PAMELA MORGAN
ILLUSTRATOR: HEATHER BELL
PAGE COUNT: 32
TRIM: 9" x 9"
AGE RANGE: 6-9

Avi's doll Skye is not a boy or a girl. Neither is Avi. But what will their family think? Avi uses Skye to explore gender expression and identity and also to discover how their family will react to Avi's own nonbinary identity. Breaking gender stereotypes, Avi's clothing choices and actions show their brother, sister, and parents who they really are as their family gradually understands and accepts Avi's identity.

As the mother of a nonbinary child, author **Pamela Morgan** wanted to make the books her child wasn't finding on bookshelves. She is a fierce advocate for transgender rights and an award-winning author and playwright. Illustrator **Heather Bell** grew up playing tea party, war, and squirrel adventures. The labels "girl" and "boy" never fully fit as Heather felt like both. It would be years before Heather heard the term "nonbinary" and felt understood and seen. As a proud member of the LGBTQ+ community and a mother, illustrator Heather Bell sensitively portrays Avi's story with relatable emotions and family dynamics.

A touching story of self-acceptance, *Simply Skye* is a great starting point for discussions of diversity and understanding others and building SEL skills.

AUTHOR & ILLUSTRATOR: GINNY NEIL

PAGE COUNT: 32

TRIM: 9" x 9"

AGE RANGE: 6-9

A wildfire roars through the forest, leaving nothing but ashes until seeds sprout from deep below. Root by root and seed by seed, the forest rises again. Back matter explains the timeline of the forest cycle in more detail.

Ginny Neil is an author, illustrator, award-winning teacher, and master naturalist. When she's not slogging through a marsh, trying to spot spring peepers, or chasing errant sheep across mountains and meadows, she manages an outdoor learning lab, teaches STEM to elementary and middle school students, and writes about all the things and people that make Earth such a fun and fascinating place to live. *The Glorious Forest that Fire Built* is her first picture book.
