Circles

TIP: Whenever you are creating your circle, remember to connect all pieces together BEFORE you bend and connect the ends.

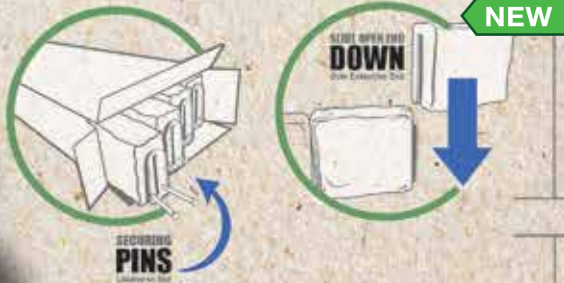

How Many Beuta Sections Will I Need to Make a Circle?

Beuta Landscape Edging offers the fastest and easiest way to get a professional, granite looking, landscape edging project done fast. Do-it-yourself and save time and money.

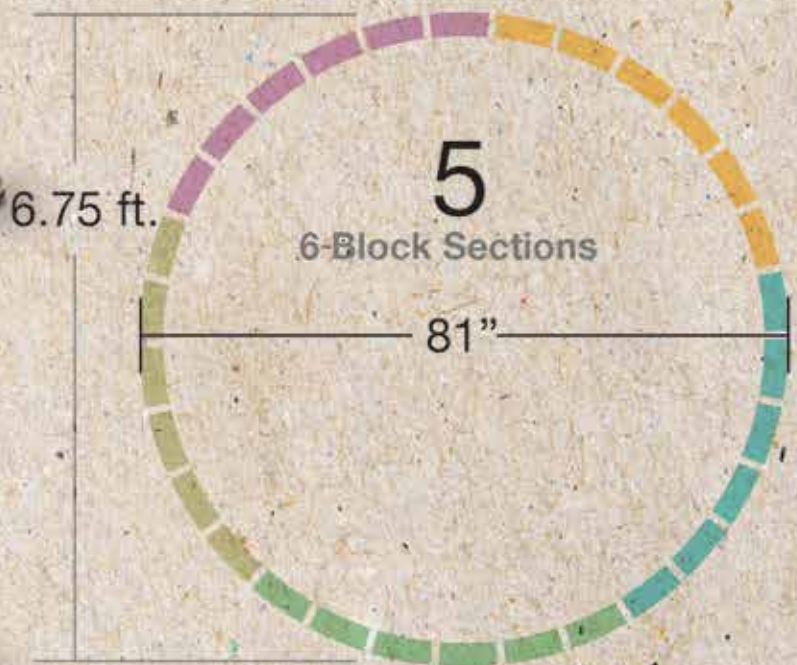

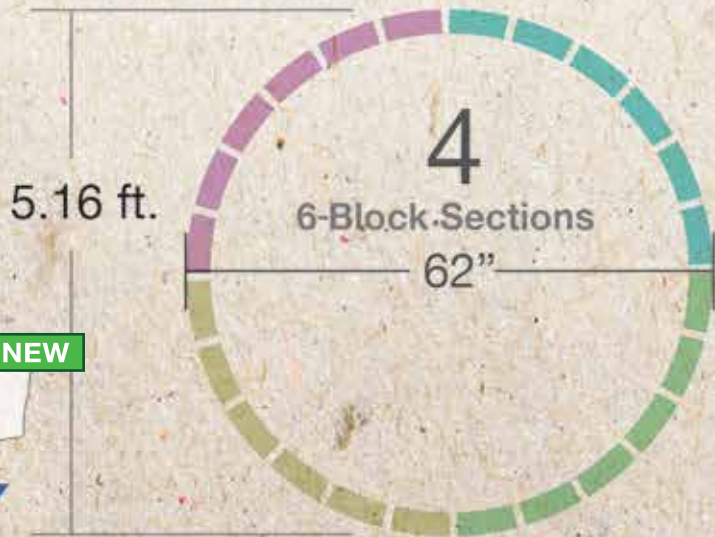

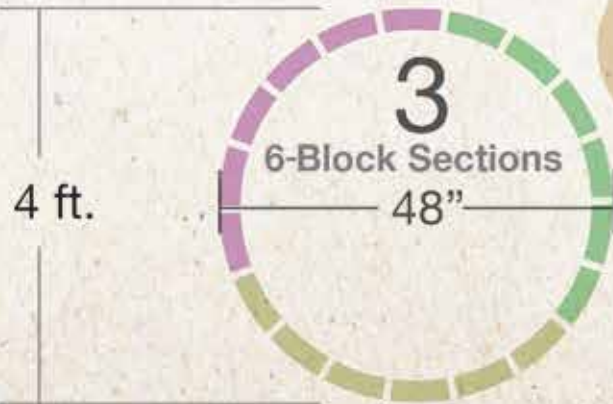

When you open your box and remove the BEUTA product, please note the landscape spikes are located on the end. Remove and save, you will need these to secure your edging.

To attach, slide the open end of the BEUTA block 'over'n down' the extended end. This allows for a sturdy connection. You may need to gently tap the block with your hammer.
